

Take Home Kit for Spa & Glass Resurface Facials

Along with your Facial service, you will receive a take home kit. This kit is designed to complement the facial service you have received to keep your skin in the best possible condition until you are ready for your next facial.

The kit contains samples (1 each) of:

- Sachet of Elemis Pro Collagen Cleansing Balm
- Pop-top of Elemis Dynamic Resurfacing Facial Wash
- Sachet of Elemis Dynamic Resurfacing Smoothing Essence
- Sachet of Elemis Pro Collagen Advanced Eye Treatment
- Sachet of Elemis Dynamic Resurfacing Super-C Serum
- Container of Elemis Dynamic Resurfacing Day Cream SPF 30
- Container of Elemis Dynamic Resurfacing Night Cream

Full sizes of each of these products are for sale at my salon.

Use the products as follows:

1. Start with the **Elemis Pro Collagen Cleansing Balm.**
Using dry hands warm a pea-sized amount between palms and then massage over face, neck and décolleté with light circular massage movements. Remove with warm water or a damp cloth.
2. Next use the **Elemis Dynamic Resurfacing Facial Wash.**
Massage a pea-sized amount into wet skin with fingertips, adding warm water to create a lather. Rinse off and pat dry with a towel.
3. Next use the **Elemis Dynamic Resurfacing Smoothing Essence.**
Massage 3-4 drops onto the face, neck, and décolleté.
4. Next use the **Elemis Pro Collagen Advanced Eye Treatment.**
Using your ring finger apply a pea-sized amount around the eye area.
5. Next use the **Elemis Dynamic Resurfacing Super-C Serum.**
Massage a pea-sized amount onto the face, neck, and décolleté in upward strokes. Wait 30 seconds before proceeding to step 6.
6. Finally use the **Elemis Dynamic Resurfacing Day Cream SPF 30 and the Elemis Dynamic Resurfacing Night Cream.**
Using a pea-sized amount onto the face, neck, and décolleté apply the Day Cream in the morning and the Night Cream at night.
